Dear Colleague,

**RE: *Fast Forward Programme – Camden – Add dates***

Camden Connexions is organising a two week motivational programme called ***Fast Forward*** as part of the Central London Connexions Activity Agreement Pilot. This exciting new programme is aimed at NEET (Not in Employment, Education and/or Training) young people who are 16-18 and ready to move into EET (Employment, Education and/or Training).

**What is it?**

The ***Fast Forward Programme*** usually includes:-

- Team building, confidence and motivational workshops
- Interview practice
- Information, Advice and Guidance
- Vocational tasters with training providers in a wide range of areas including Catering, Construction, Hair and Beauty, Retail, Customer Service, Administration and Sports and Fitness
- College tasters
- First Aid

**Why?**

The aim of the Fast Forward programme is to move young people into EET and has been significantly successful in central London boroughs. During the last programme, in Islington, 68% of young people moved into EET.

**How can you be involved?**

A key part of the programme is the involvement and support of local colleges and training providers. We hope you can work with us to offer young people tasters and/or sessions in the areas listed above. This programme provides young people with the opportunity to apply for courses they are interested so can also help recruit young people onto your courses.

**When?**

The date for the first Fast Forward programme is 12<sup>th</sup> July – 23<sup>rd</sup> July 2010 and we would like to invite you to be part of a working group that will plan, monitor and review this programme. Your support would be invaluable and you would play a key role in supporting Camden young people back into EET.

**How?**

For further information, please get in touch with Majid Abdul (tel: 020 7974 8256 / 07903 582 241) or Amellia Duguid (tel: 020 7974 7104 / 07920 296 261) and let us know if you would like to be involved in this project.
