

Ground Rules

Equipment required

Flipchart Paper and pens

Activities

Ask young people what ground rules they would like:-

Agree and write the ones they have on flipchart paper

If they do not come up with these then raise them:-

- Respect each other – regardless of race, gender, etc.
- Respect others opinions and not laugh at others as difficult to be in a new group.
- Respect the venue and staff as they are representing CLC and this is an opportunity to test how they would behave at work
- No arguing or fighting with each other.
- Switch off mobile phones
- Time-keeping – Be on time
- No drugs or alcohol
- 100% participation
- If there is anything they do not understand or not happy with let the PA/trainer know.
- Have fun!
- Agree times and breaks. Tell them about lunch arrangements!

Repercussions

Not respecting ground rules could lead to having to leave, not being able to do any other courses and not been on the project which of course we do not want. It can also mean that they might not get paid!
