

Achieving the National IAG Standards

This half day workshop will help Information, Advice and Guidance (IAG) practitioners and managers to work with the national IAG standards. It will introduce participants to a range of user friendly materials to measure how well existing provision matches up to the standards. Participants will share examples of good practice in relation to the standards and their application.

Target Audience

- Personal Advisers
- Team leaders and managers of IAG
- Local authority leads for IAG
- 14-19 co-ordinators

Aims

- To brief participants on the relevance and application of the IAG standards
- To equip participants with tools and techniques to review local provision
- To develop a shared vision of good IAG practice through discussion and case studies.
