

Post 16 Citizenship training

(1/2 day) New course Introductory level

17th February 2010
10:00am - 1:00pm
Freston Road, W10 6TH

Target group: The course is aimed at all staff and professionals working within the IYSS at all levels.

Course Aims: The course aims to give you an overview of Leap's techniques and methodologies for engaging young people on the subject of gangs, including territorialism, status, revenge, safety and enemies.

Learning Objectives:

- Techniques to explore some of the issues experienced by young people in gangs
- Interactive techniques to engage young people regarding gang issues
- Exploring gang or knife crime within the context of post-16 citizenship learning

Course methodology:

The course will be delivered by experienced consultants with extensive knowledge of post-16 citizenship education.
