With the release of the new joint Child health strategy, the event will explore the implications of the strategy, the increasingly high priorities of CAMHS and emotional health and wellbeing that impact directly on all outcomes for young people, and aims to draw together ideas around implementing various initiatives effectively in your local area.

The event is aimed at SEAL and Healthy Schools Co-ordinators, Extended Schools Co-ordinators, Head teachers, Heads of Service, CAMHS commissioners and other professionals interested in developments around Children and Young People's Emotional Health and Wellbeing.
