

CAN YOU FILL THIS SPACE?

Our Space is the Equality and Human Rights Commission's annual summer camp for **14 and 15 year-olds**. 100 young people like you come together every year for a week of activities and training to help build **leadership skills** and **confidence**. And this year, you could be one of them.

If you're interested in **equality** and meeting other young people from across Great Britain, then apply online by **Friday 3 July**. Spaces are limited, so don't delay!

Apply for a place via our website at:
