

The QS Top University Fair featuring QS World of Study is an international undergraduate focused university and careers fair. The fair is taking place on Friday 12th and Saturday 13th March at Earls Court Exhibition Centre (nearest tube station is Brompton Road) from 10am until 3pm.

There will be over 100 exhibitors at the event that are internationally ranked within one of the top 500 places to study in the world. (Rankings according to the QS World University Rankings, see www.topuniversities.com for more info.) There are also many vocational course providers that offer an alternative to the traditional university route.

The event is free to attend and open to everyone nationally – students, parents / guardians / relatives and education / career professionals are all welcome to attend the event.

We ask the only STUDENTS pre-register at our website before the fair:

www.topuniversities.com/connexions

There are also many on-the-day seminars and information sessions on a range of topics including studying abroad, funding and scholarships, how universities are ranked and the application process for higher education courses. A full timetable of info sessions and seminars will be published closer to the event.

If you require any further promotional or advertising material eg HTML emails to send to young people with details of how to register for the fair or flyers/posters for your centres or if you have any questions about QS or the fair please do not hesitate to ask.
