

# we are on the move

We are currently undergoing a multi-million pound re-development that will see the Wandsworth Campus completely transformed. The new campus has been designed to accommodate all the courses currently running at our Putney Campus. Join us in September 2009 and be amongst the first to benefit from our brand new state-of-the-art building.

Over £100 million is being spent on providing the first class learning facilities you deserve with a range of new features including:

- **New health and social care wing**
- **Sports England standard sports hall**
- **Industry standard hair and beauty salons**
- **State of the art Sports England standard gym and aerobics area**
- **Learning Resource Centre with the latest computer technology**
- **Performance theatre for dance and drama**
- **Music and television recording studio with editing facilities**
- **Photography studio and dark rooms**

Both the Sports Hall and the Performance Theatre will be open to the public at scheduled times. In addition, the new Hair & Beauty Salons will offer beauty and hairdressing services to the community, at discount prices.

In line with government strategy for boosting skills for 16-18 year olds, the new campus will provide high quality industry standard facilities that will enable you to progress to your chosen career.
