What's it all about?

The Award in Motor Vehicle Studies is designed to provide introductory knowledge and skills relevant to work in the motorcycle repair and related fields.

What do you need to know before taking the award in Motor Vehicle Studies?

You do not need to have any previous experience in Motorcycle Studies before starting the course. It is important to have a real interest in Motorcycle repair, a willingness to explore new ideas and an ability to communicate ideas effectively.

Why choose this course?

You will:

- Have opportunities to develop the practical skills relevant to the preparation for sale and servicing and repair of motorcycles
- Enjoy studying a subject that is relevant to your area of interest.
- Have opportunity to apply learning in a practical and realistic way;
- Follow a programme of study that could enable you to progress to further courses in the field of motor vehicle studies.

This course will appeal to you if you:

- Have a keen interest in motorcycles
- Want to move on to a related career or further education;
- Want to study a course which is active and enjoyable
